From Research to Reality: Conference Participant Subsidies

In an effort to lower barriers to access, the Canadian Centre on Substance Use and Addiction has made a limited number of subsidies available to support attendance of *From Research to Reality: Global Summit on Psychedelic-Assisted Therapies and Medicine*.

Subsidies will be allocated through an application process, and will consist of **waived conference registration**. Successful applicants will be given a discount code to use when registering. Preference will be given to applicants who are registering for **in-person attendance**.

To qualify for a subsidy, applicants must work or volunteer in the psychedelic-assisted therapy field. Subsidies can apply to anyone demonstrating financial need, including students and those travelling from low-and middle-income countries. Students will be required to provide proof of student status. To apply for a participant subsidy, please complete and submit the application form below and attach the supporting documentation.

All criteria must be addressed to be considered for a subsidy. Only one subsidy per organization will be awarded in order to maximize opportunities for knowledge transfer.

The final day to apply for a participant subsidy is **May 2, 2022**. All applications should be submitted to Planning Committee Member Doris Payer at dpayer@ccsa.ca.

Those participants who are awarded a participant subsidy must confirm their acceptance of the subsidy by registering for the R2R Conference no later than May 6, 2022. Subsidy awards will expire at midnight on this date if registration is not received.

Application form follows on next page.

Conference Participant Subsidy Application Form

Please provide the following information to apply for a participant subsidy.

1. Contact Information

First Name		Last Name	
Email		Phone	
Organization		Title	

2. Indicate if you are applying for: (please choose one)
